Dear Fellow Animal Lover,

Logan's Heroes Animal Rescue presents Fall Fun and Fix it Bingo at Albutis Area Community Center on Saturday, October 19, 2024 from 1pm-5pm. Logan's Heroes Animal Rescue provides much needed medical care and housing for neglected animals. We are a 501(c) (3) non-profit organization so your donation to this event or sponsorship is tax deductible. This event will be held at the Albutis Area Community Center 220 West 2nd Street, Albutis, PA 18011. We are hoping for the support of our local business to help make this fundraiser a great success for our organization. This is also a great opportunity for those in our area to find out more about us and your business as well. Fundraisers and support from our community enable us to provide food, housing and veterinary care for animals we bring in each year.

Tickets are \$35 per person for the Bingo. We are looking for donated items relating to fall and tools such as grills, fire pits, cordless tools, hand tools, coolers, patio items etc. Sponsors can donate items director or sponsor the cost of purchasing and item. The more sponsors we are able to get, the more funds we can raise to help us take care of the animals at the rescue.

We are in need of donated items, gift cards and gift baskets for the event for raffles and for the bingo. We are also looking for sponsors for the event to help provide food, giveaways and advertising for the event. You can make a direct donation in support of the event by choosing to write a check directly to Logan's Heroes Animal Rescue 9411 Kings Highways East Greenville, PA 18041. Please note Fall Fun and Fix It Bingo 2024 on your check and include this form so we know that we are raising funds from this event. All sponsors and donors will be acknowledged at the event so this is also a great opportunity to advertise for you business while helping our organization save animals.

If you have any questions about the event or how you can help, please email info@lharinc.org or call Chris at 484-951-9325 or Ginene at 267-475-5489.

Sincerely,
Chris Baringer
Ginene Mozzone
